

**T**he City of Wixom has established a transportation program in 2013 with People's Express Inc. to assist Wixom senior residents, to get to Doctor appointments, grocery stores, shopping areas and more. Vehicles are equipped with lifts, offering individuals with wheelchairs access to the services. The City of Wixom will subsidize the cost of the transportation service for its Residents through People's Express. The transportation service will offer travel within the City up to a 10 mile radius or a greater distance for a small charge. You will find ride guidelines and a fee schedule inside. Prices quoted are for one way and round trips.
