Dear Business Owner:

The City of Wixom invites your business to become a partner in our community as a member of the **2020 Parks & Recreation Sponsorship Program**. The generous support from our local businesses has allowed the City to continue to offer various family programs, events and fireworks providing opportunities that improve the quality of life for our residents.

The City is busy planning a spectacular year to include five signature events that have become community traditions. We offer many sponsorship levels and can customize a sponsorship to meet your needs. Your company will be recognized in many ways including print, signage, electronic and social media.

As a sponsor, your business plays a vital role in strengthening our community; improving the health and well-being of our residents, as well as creating a place that is highly desirable to visit, live, work, and grow a business.

Accompanying this letter is a list of sponsorship levels, descriptions of events to sponsor, and a sponsorship form. We hope that you find our **2020 Parks and Recreation Sponsorship Program** a great way for your company to benefit while supporting the City and the community. For your convenience, you can submit your sponsorship by mail, phone or online at www.wixomgov.org or email clongville@wixomgov.org. Thank you for your consideration.

Sincerely,

Cindy Longville
