MEMBERS OF THE PUBLIC BODY MAY PARTICIPATE ELECTRONICALLY AND MEMBERS OF THE PUBLIC MAY PARTICIPATE VIA TELEPHONE, AS DESCRIBED BELOW. THE CITY HALL WILL BE CLOSED AS AUTHORIZED UNDER THE RELEVANT EXECUTIVE ORDER BY GOVERNOR WHITMER.**

**Reason for allowing participation by electronic means:**

*As set forth in Governor Whitmer's Executive Order, "To mitigate the spread of COVID-19, protect the public health, and provide essential protections to vulnerable Michiganders, it is crucial that all Michiganders take steps to limit in-person contact. These critical mitigation measures include social distancing and limiting the number of people interacting at public gatherings." This includes public meetings.*

**Procedure for public participation by electronic means:**

As set forth in Governor Whitmer's Executive Order, in order for the City to allow electronic or telephone participation in the meeting, there must be full opportunity for both the general public and the members of the public body to both hear and be heard at appropriate times during the meeting: *"A meeting of a public body held electronically must be conducted in a manner that permits two-way communication so that members of the public body can hear and be heard by other members of the public body and so that general public participants can hear members of the public body and can be heard by members of the public body and other participants during a public comment period."*

The City will be utilizing the video/audio conferencing platform ZOOM. Members of the public body will be able to hear and speak to each other for the entire meeting. Except for any closed session portions of the meeting, members of the public will be able to hear members of the public body during the entire meeting but will only be able to speak during a public comment period.

A member of the public can participate in the meeting by dialing in. If long distance costs are not a concern, i.e. long distance is included at no cost on your service plan, you can call:

**Procedure for public comment by electronic means:**

Once connected to the meeting, members of the public wishing to participate in the virtual public comment must alert us that they wish to speak by pressing \*9 on their telephone keypad. Pressing \*9 will activate the "raise hand" feature signaling to us that you wish to comment. Participants will be called one a time, as

would happen during an in-person meeting. When you are unmuted, please introduce yourself by stating your name and address for the record. You will then have (5) minutes to share your comments with the City Council. At the conclusion of your comments or your (5) minutes, you will be muted and removed from the public comment queue.
